

What are you doing this Christmas?

We are celebrating in a big way...and you can help make it even bigger!

In December this year we are holding a day of celebration for 1500 children who are less fortunate than ourselves. To make it a truly memorable Christmas we are going to be giving these children a wonderful time with Santa Claus and all his presents, clowns, face painters, delicious food and much more.

This is a time for helping others so we are asking if you would be able to assist us in making their Christmas a special one.

We are asking for toys, food items, Christmas decorations, monetary contributions or anything else that you might be able to give to our Caxton Itshepeng Christmas Bash.
